Soon in time (Kagehina)

**\*\*Chapter\*\*\*\* One\*\***

\* \* \*

><p>"ONE MORE" I hear the 162 centimeters yell from across the court. I do as he says and I toss another one. He jumps and I look behind myself as I see his shirt fly up just a little, even though it happens for everyone I have to look away fast before a blush could rise to my cheeks. I look behind again and I see a smiling Hinata. I try to hold back a smile, but I fail and grin. "Practice is over let's clean up." Hinata runs over to the balls all over the floor and picks them up along side of me. After that we head on over to the locker room we are the first ones in. I pull my shirt over my slim body, and put my regular clothes on, I do the same with my pants. I look over at Hinata who was stuck in his gym shirt. His small body showing, "Kageyama don't stare help me!" says a struggled Hinata. I touch his shirt and his eyes look into mine. I turn around, grab my bag and run for it. I can't let him see me. "KAGEYAMA WHERE ARE YOU GOING HELP ME!" Hinata yells as I hear hurried footsteps in the distance I jump on my bike and ride out. Jesus that is so embarrassing. <em>Why do I feel this way for him. He is so annoying that dumbass!<em> I jump off my bike and get inside and lay in bed. I let out a long sigh and look at the time. "7:00 is when practice is over, it is now 7:20. I rode pretty fast 10 minutes faster than usual" I set my phone down again so I can change into my pajamas. Just a T shirt and some sweat pants. My phone buzzes from a text by Hinata.

**\*\*Hinata: Hey are u ok?\*\***

**\*\*You: Yeah I am fine.\*\***

**\*\*Hinata: Ok bc u seemed kinda weird when u ran out like that just**

wondering\*\*

\*\*You: Okay\*\*

\_I have to get my feelings straight about this. He is a guy I am also a guy so how come I like him? Am I gay?\_ I roll over again, I grab my hair and pull it and grunt while laying in a ball. \_NO! I can't be? Maybe I am? I've never liked any girl before. Why can't I like any other person why Hinata?\_ I slowly drift to sleep with my frustrated thoughts and worries.

The sunshine rises into my bedroom and I wake from the light. I rub my eyes and yawn, I take a shower then head to the kitchen to stuff my face. My face lights up with an idea. I head over to my phone and click onto the contact name 'Kageyama' and click onto the call button. I step out of the shower to dry my body off and blow dry my black hair. I head back into my bedroom and see three missed calls from Hinata. \_tsk\_ I call back with a sudden reply of "COME OVER TO MY HOUSE TODAY OKAY?" "o-" he hangs up the phone before I could reply. "Dumbass" I shrug my shoulders and put my phone into my pocket and put my shoes on. "I am going to a friends" I say as I run out the door. I get onto my bike and slowly ride down to his house. I knock on the door to get no reply I knock again and wait a few more minutes. "Jeez what is taking him so long if he wanted me to rush down here." I take out my phone and text Hinata.

\*\*You: Hey I am here where are you?\*\*

><strong>Hinata: Oops sorry I am coming haha!<strong>

The door opens with a smiling Hinata, "Sorry I was cleaning." I raise an eyebrow "Why was it dirty?" Hinata sighs "No, not really just my room was a little." I walk inside following Hinata "Sure a little." Hinata says something I couldn't hear under his breath. I smile a little and walk to his room. "Well this is my bedroom!" He says happily. "Well, obviously," I say in return Hinata grabs my hand and sets me on his bed, "Sit down Kageyama!" I light pink tint came to my face that I force away. "Why did you ask me to come over?" Hinata looks at me with a serious face and he starts to become red. I feel my face heat up as I think of what I am going to tell Kageyama, "I - I like someone and uh, I don't know how to tell them." Kageyama face looks a little sad now instead of mad. \_What was wrong?\_ "Are you okay Kageyama?" He nods his head and opens his mouth to reply. "I would-" "K-Kageyama I like you!" I yell out with my eyes closed. I feel my whole body heat up from nervousness, and embarrassment. I open my eyes to see a familiar flush come to his face as well. He turns his head away trying to hide. I raise my hands up and grab his face and turn his head facing me. I pull myself onto his lap and lean into a kiss, moving my hands around his neck. He leans in as well, we both close our eyes, then our lips meet. The feeling sends electricity through me. I feel my body become light. He wraps his arms around my body and pulls me in. He licks the bottom of my lip asking for entrance I open my mouth and our tongues fight for dominance. I soon give up and he lies on top of me. His hands on my wrists, holding me down and then let go and lays on top of me. Both of us panting. "The answer is yes Hinata." I chuckle "Obviously." I start to kiss, and suck on his neck, leaving marks worried about what he would say I don't tell him. I once again, giggle and wrap myself around him. "Thank you," I say while I lay and our body heat mix together. He sighs into my neck sending shivers down my whole body "Don't make it sound like a favor I liked you too, but I didn't know

how to tell you.

I smile into the neck of Hinata no need in hiding it. We fall asleep in our arms, About an hour later no one is still not home. I yawn and roll to the other side of the bed. Than Hinata's sleepy, but beautiful eyes begin to open. Indicating he is waking up as well. He yawns and stretches. "My mom still isn't home? And did we fall asleep?" "Yeah we fell asleep and no your mom still isn't home." I yawn once again "For how long?" I shrug and look at my phone, "Maybe a hour?"

>"I love you Kageyama," I blush and roll over. "You too... dumbass" I say while smiling. Hinata puts his arm over my waist and we cuddle for a few minutes until we hear a front door. He sits up really fast, making me jump from the sudden movement "Maybe you can stay over like to spend the night!"<br>"Uh, I don't know what would be done?" He giggled "Hang out, play games, and sleep duh! Come on, it will be fun!" I groan \_It is our first day dating it could be interesting I don't know.\_ "Sure-" I manage to get out before he runs outside the room. He comes back moments later, and looks really happy. \_I am guessing she said yes.\_ "She said yes!" He says happily. Then he has a worried look. "Is there something on me why are you looking at me like that?" "I'm sorry I left a hickey!" \_Oh no that dumbass! Jesus, I do not know how I would explain this.\_ "Do you have anything to hide it with? Like a scarf? Because I can not let my parents see." He has a thinking expression on his face then he jumps up. "Oh, I have a scarf!" "Get it NOW!" I say he looks afraid and walks over to the closet. "Shesh..." He bends over rummaging through his stuff, and I am obviously going to look at his ass. He has a nice one too. "Hey Hinata, Nice ass." I say then he turns around and blushes. "O-oh!" I turn back around looking even faster and I find the scarf.\_ He was looking at my butt oh my gosh! I feel very light thank you Kageyama.\_ "Here is the scarf," Kageyama puts it around his neck. "Wow, you look good haha." he smirks at me and says "thanks" \_he normally looks creepy but woah, hot.\_ I let out a shy laugh and take a seat next to Kageyama. "Hey, Hinata I am going to call my mom and ask if I can stay over." I nod my head and after he pulls out his phone.

\*\*\*"Hey, can I spend a night over at a friends?"\*\*

\*\*\*"His name is Hinata" \*\*

\_I love it when he says my name it makes me very happy.\_ I feel a tint of red rise to my face right after I thought that.

\*\*\*"Volleyball"\*\*\*

\*\* "Okay thanks, I will be there soon to get my clothes."\*\*

\*\*\*"Alright, thank you."\*\*\*

"She said yes, but she isn't home right now." I look over at him confused. "Where is she?" "The grocery store." I nod my head and we wait in silence for a couple of seconds, "Want to go now or do we have to wait?" I ask as patient as I could. He nods his head, "We can go now."

><p><span><strong>Authors note:<strong> Hey guys I am new to writing fan fiction it is said in the description, and I have written some but I am trying to make a long one. I really like long fanfics so I am trying to make one for anyone who likes them too and finds this one. Well Thank you for reading chapter one chapter two should be here in about two days it took that long for this chapter.
